

REMARKS

Reconsideration of the application in view of the following remarks is respectfully requested.

The Examiner rejects claims 1, 3-5, and 9 under 35 U.S.C. 102(b) as being anticipated by Lim, Lim et al. or Chevallier et al.

The Examiner states that claims 2, 6-8 and 10-11 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all limitations of the base claim and any intervening claims. Accordingly, Applicant's have made claims 2, 6 and 10 into independent claims and cancelled 1, 3 and 9.

Accordingly, Applicants believe the Application, as amended, is in condition for allowance, and such action is respectfully requested.

Respectfully submitted,
Texas Instruments Incorporated
